

About Our Speaker

Margaret (Dee) Fish, M.S., CCC-SLP

Margaret (Dee) Fish, M.S., CCC-SLP, is a speech-language pathologist working in private practice in Glenview, IL. She has 40 years of clinical experience working with children with severe speech-sound disorders, language impairments, and social communication challenges. Margaret's primary professional interest is in the evaluation and treatment of children with severe speech sound disorders. She presents workshops across the U.S. and internationally on topics related to childhood apraxia of speech. Along with co-author, Amy Skinder-Meredith, Ms. Fish recently completed the third edition of the book, "Here's How to Treat Childhood Apraxia of Speech." Her workshops and writing focus on providing practical, evidence-based evaluation and treatment ideas to support the complex needs of children with CAS.
