## **Language development & disorders in bilingual students**

Presented by:

**Renée Reilly, PhD, CCC/SLP**

**When:** Wednesday, April 19, 2023

**Where:** Virtual Zoom Presentation

**Reservations:** Laura Gean (NSSLArsvp@gmail.com). **RSVP by Monday, April 17**  
Login information will be sent after RSVPs are received. The handout may be posted online prior to the meeting (per presenter preference).

**Activity Description:** This two-hour workshop will focus on typical language development in English Language Learners and evidence-based practice for bilingual preschool and school-aged children with developmental language disorders.

**Agenda:**

6:00 - 6:30 pm	Registration and business meeting
6:30 - 6:40	Introductions and review of agenda
6:40 - 7:10	Typical developmental milestones in simultaneous bilingual children and patterns of development in sequential bilingual learners
7:10 - 7:25	Ethnographic interviewing and culturally responsive practice
7:25 - 7:45	SLP Assessment practices with dual language learners
7:45 - 8:15	Treatment considerations for bilingual preschool and school-aged children with language and learning disabilities
8:15 - 8:30	Question/ Answer discussion

### **Learning Objectives:**

The participants will:

1. Discuss similarities and differences in monolingual and bilingual language development
2. Identify signs, symptoms, and risk factors for language impairment in dual language learners
3. Describe dynamic assessment techniques that can be used by monolingual SLPs
4. Explain at least one treatment consideration for culturally-sensitive and evidence-based intervention with English Language Learners
